Revolutionary Ideas - Patents and Progress in America. *The history of United States patents is the history of America's progress over 200 years. Virtually every difference between the American lifestyle of 1776 and that of the bicentennial era can be traced to an application filed with the Patent and Trademark Office. Patents and Progress dedicates itself to the inventions and inventors of America. The cover is a facsimile reproduction of the first patent--issued in 1790 to Samuel Hopkins and signed by George Washington--and throughout the remainder of the booklet we are reminded of the technical, mechanical, and scientific genius that has sprung from America.* 1976. 28 p. il.

GENERAL INFORMATION

There is no free distribution by this Office. Regulations require remittance in advance of shipment of publications, either by check or money order payable to the Superintendent of Documents. Do not send currency (bills or coins) or postage stamps.

With the exception of specially priced publications, a discount of 25 percent is allowed on quantity purchases (100 or more copies of a single publication). The same discount applies to orders from a bookdealer (any quantity) when the publications are mailed to the dealer's normal place of business. No discount will be allowed when publications are mailed to a third party (unless in quantities of 100 or more per title).

NON U.S. CUSTOMERS—International mailing regulations require special handling for which we charge an additional 25 percent of the total cost of your order. Remittance is required in advance of shipping by draft on a United States or Canadian Bank, by UNESCO coupons or by International Postal Money Order made payable to the Superintendent of Documents. These orders are mailed via surface mail unless funds are sent to cover airmail postage. Foreign currency or checks will not be accepted. All orders must be in English.
